ABOUT ME

▷ I'm a web developer with a background in electronic engineering seeking my first job in the industry. I have a passion for computing, creating applications, and learning.

SKILLS

▷ I feel comfortable working with JavaScript at any level. The following languages and frameworks are the ones I have worked with the most and are definitely my favorites. However, I understand that it is very important to constantly update and learn in this field, and that's what I love about it!

Programming Languages

JavaScript, TypeScript, HTML, CSS

Frameworks

React, Next.js, Node.js, TailwindCSS

EDUCATION

Universidad Nacional de Moreno

Apr 2018 - Ago 2020

Electronic Engineering

Universidad de Buenos Aires

Ago 2022 - Now

Computer Science

Argentina Programa

Jul 2021 - Dec 2021

Web Full Stack Junior

Coderhouse

Jul 2022 - Jan 2023
